With Defeat Staring Them in the Face the Giants Roused Themselves.

Hastings Escaped for Six Innings, but Then They Fell Upon Him Hot and Strong.

LYONS WAS PUT OUT OF THE GAME.

He Objected to Emslie's Decision on George Davis's Stolen Base, and Was Promptly Sent to the Bench.

The patrons of the Polo Grounds were treated to another red-hot finish yesterday. They saw the Giants make a rally when defeat looked certain and bat out five runs and win the game. It was one of those finishes that aroused the enthusiasm of the spectators to its highest pitch, and made them leave the Polo Grounds with the impression that the Giants are "some pump-

## BUTLER'S TIMELY RUSH.

He Gained a Clever Victory Over Ziegler and Kimball in the Half-Mile Race.

Manchester, N. H., Sept. 8.—Three thousand people attended the National Circuit races at Varsity Park this afternoon, and some fine sport was seen. Tommie Butler took the half-mile open contest after riding throughout the race in the third position in the line. He gained his victory only by the best kind of riding, for Ziegler, who was favorite in half-mile race, owing to past winnings, had rounded into the stretch in the lead. Butler worked up past Kimball, and won by not over two inches, and Kimball also forced around.

In the mile open, Louis Butler failed to qualify through trouble with his wheel, and in the final Kiser went down and Gardner over him at the rear of the line. Louhead gained the contest by three lengths, through a fine jump on the back stretch. Hoyt beat Ziegler a foot for third. Harry Clark took his first win since his fall at Meriden in the two-mile handicap, and with second position, his second money since leaving the Pacific Coast in May. E. M. Blake bore away the honors in the amateur class. The circuit will be at Keene tomorrow.

The summaries: Half-mile, open (professional)—Tom Butler, first; Kimball, second; Ziegler, third. Time, 1 min. 4.5 sec. Single race. Mile, open (professional)—Louhead, first; Hoyt, second; Ziegler, third. Time, 2 min. 20.4 sec. Single race. Quarter-mile, open (amateur)—E. M. Blake, first; P. A. Carter, second; H. M. Manger, third. Time, 34.5 sec. Mile, open (amateur)—E. M. Blake, first; H.

## FLEETEST OF CATBOATS.

F. M. Randall's Boat Secured the Lynch Cup, Dorothy Having Been Ruled Out of the Race.

After one of the most exciting catboat races ever sailed in the upper bay, F. M. Randall's little cabin catboat beat won a hard-earned victory in the Atlantic Yacht Club's special race for the Lynch Cup from a fleet of five of the fastest boats of this type afloat.

As a matter of fact, the Dorothy, owned by George Hill, should have won, but was disqualified for fouling one of the turning marks. The Struck won second prize and the Squaw third.

There was a fine northwesterly wind at the start and the yachts had single reefs in for a time, but afterwards stove them out and finished under full sail.

The race was sailed over the usual club course, and the yachts made three circuits of the triangle.

The race for the Callahan Cup was finished on Monday night and was won by the Awa, with the Moccasin second.

## HAS CONFIDENCE IN SHARKEY.

Dan Lynch Says His Man Can Put Out Maher in Ten Rounds.

Interest was greatly revived in the subject of a limited round encounter between Tom Sharkey and Peter Maher.

Some days ago, when there was a likelihood of the Corbett-Sharkey affair falling through, Maher made an offer to put Sharkey out in four rounds, either in public or private, for \$10,000 a side. When Dan

## MEADOWBROOK TEAM WON THE POLO MATCH.

Defeated the Myopia Champions in a Keenly Fought Struggle.

Both Teams Showed Brilliant Work During the Three Periods That Were Played.

THE SCORE WAS CLOSE THROUGHOUT.

To-day's Match Between the Buffalo and Rockaway Teams, the Victors to Play the Meadow Brooks on Monday.

There was much interest manifested in the first of the polo championship games which are being played this week at the Prospect Park parade ground, for the hand-

some gold cup presented by Mr. William Waldorf Astor, emblematic of the championship of the United States. It is to become a perpetual trophy, but that cuts no figure with the poloists, who take as much pride in playing for and winning it as they could possibly do were it to become their property outright. It is not so much the value of the cup they look at, but the fact of their having a trophy to play for worthy what it really represents, the highest possible pinnacle of perfection a polo team could aspire to reach.

Regardless of this, the costly cup is an ornament which remains in the room and one which the members can exhibit with pride while it remains in their possession. There are four individual prizes added by the Polo Association, which become the personal property of the winners.

There was a very fair assemblage of spectators present when the champion Myopia team and the first team of the Meadow Brook Club commenced their battle yesterday, but still every car was bringing fresh arrivals, and the crowd kept swelling on the sides and in the rear of the field.

The teams lined up and the ball was thrown into the field promptly at 4 o'clock. The Meadow Brooks had the west goal to defend and the Myopia had the east one. The Myopia went into the field with the very start with a great rush and forced the play into the Meadow Brooks' territory.

After a rest of two minutes the game was resumed with a new relay of ponies. The Myopia forced the play into the Meadow Brook territory, and the latter, in turn, forced the play into the Meadow Brook territory.

Finish of the One-Hundred-Yard Handicap at the N. J. A. G. on Monday.

The Carnival of Sports held by the New Jersey Athletic Club, at Bayonne, last Monday, was probably the most successful in the history of that bustling organization. Next to the record performance of R. J. Wefers in the 300-yard race, the final heat of the 100-yard sprint furnished the most excitement. The above picture is from a snap-shot photograph, taken by a Journal artist within a couple of yards of the finish. It shows Wefers, who started from scratch, making a desperate effort to catch Sulzer (5 yards) and Jarvis (2 yards). Wefers made complaint to the judges afterward that he had been pocketed by these two runners, a statement which is somewhat borne out by the camera's reproduction. The officials, however, denying the protest, compromised matters by awarding second prize to the champion, though, in the opinion of many, Jarvis led him by at least three inches.

The rally came in the seventh inning, after the Snoddy City boys had added a two-run lead. Wilson went to first on balls and Mike Sullivan found the leather for a single. Van Haltron followed with another hit to right for two bases and Wilson talked, Tieman made a good try, but Stengel got under the ball and killed Mike's chances. Gleason followed suit to Harry Davis, but his hit sent Sullivan across the plate. Captain Joyce lined out a pretty hit to left and Davis followed with another to right. George stole second, and on the throw to catch him Lyons made a scrabble howl, declaring that George was out. He kicked so hard that Umpire Emslie fined him, and, on his continuing to cause abuse, he was put out of the game. Wright took his place.

When the trouble had subs
